

Chesapeake Music brings renowned musicians to delight, engage and surprise today's audiences and educate, inspire and develop tomorrow's.

Dear Friends of Chesapeake Music,

Chesapeake Music is 40! Over the years, we have expanded our programming, aiming to provide outstanding and memorable concerts; supporting and promoting careers of promising rising-star musicians; and making classical music accessible to more Eastern Shore residents and school-age children. **These accomplishments would not be possible without your support!**

Earlier this year, our Chamber Music Festival included **six amazing concerts** with talented young musicians, seasoned professionals, and the spectacular **Juilliard Quartet**. We also held additional concerts throughout the year that featured award-winning ensembles and artists.

In 2026, we will hold our **12th International Chamber Music Competition** which both showcases and supports young musicians as they transition into their professional performance careers.

Our **YouthReach** program brings talented musicians to Eastern Shore classrooms and afterschool programs, delighting and engaging students through the magic of classical music.

These accomplishments are just the beginning of an exciting next era for Chesapeake Music! However you are connected with us—as a concert patron, financial contributor, volunteer, musician host, visitor, student, educator, current or former Board member—your support has led Chesapeake Music to this moment in our history.

Your generous financial support will allow Chesapeake Music to continue to fulfill its mission in this unique community. An envelope is enclosed to submit your donation.

Thank you for your generous support!

With gratitude,

Kae Dakin
Chair, Board of Directors

David Faleris
Executive Director
